UPDATES ON SHOP, ART GALLERY AND TASTE CAFÉ. Since announcing on 21st June that we would be closed in July for training purposes we now have enough of the required roles trained and processed and ready to be added to the new rota system. Thank you to those who have responded with this (and those who are finishing training this next week). Once the new web-based rota system has been explained by the Church Coordinator to all those on the main worship rota then that will be piloted with them for a brief period before rolling it out to everyone on the 'big rota' (which includes stewards, wellness hub connectors, shop and Taste Cafe). I hope we are looking at re-opening **w/c 29th September** so long as all goes smoothly with the training and roll-out of the new rota system. Lucy will be in touch next week with precise details of training and sign-up for this so please look out for that. Thank you all for your patience and sorry that we are not able to open up sooner but we do have to get this rota system absolutely right before we do!
